

Two Weeks of Fun School ...

... Yes, that's possible with **Sonshine Christian Academy**. SCA is the home school program ministry that makes it possible for missionary families, like us, to live and serve in Cameroon. Without this vital ministry (as well as the **Rain Forest International School** – high school), many families would find it too difficult to educate their children.

SCA just finished another two week joint session during which participating families come together for combined classes. It also gives the kids the opportunity to learn special units, art, music, swimming, fitness testing, etc. This session's special unit was the **Olympics**, with daily updates from Vancouver.

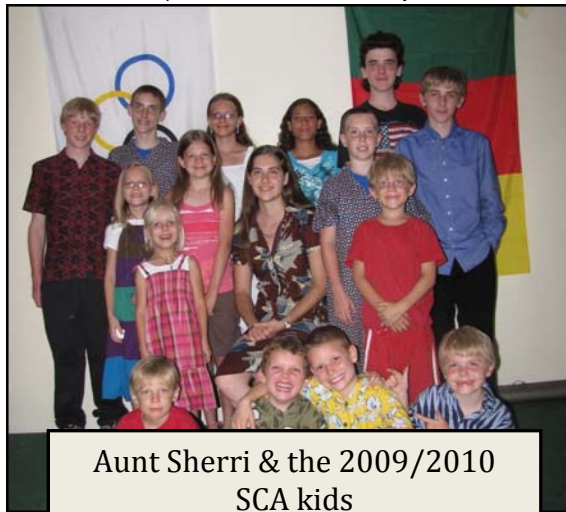

Art theory and classes were tie dying and **Adire** – casava paste applied to cloth with chicken feathers and sticks before soaking in dye. <http://www.adireafricantextiles.com/adireintro.htm>. The kids are wonderfully creative (Ysabelle's Adire pictured above). We also graduated five 8th

graders from the program who will be moving on to RFIS.

With the SCA coordinating teacher, Elsie Lewandowski, on home assignment this year, we've been greatly blessed with Sherri Hufnagel as a substitute. Aunt Sherri grew up in Cameroon, so has very naturally fit in as the substitute.

Last autumn we shared the good news that after five years of sorrows and waiting, God blessed Dahiru and Fatu – Fulbe evangelist couple – with a healthy baby boy. Fatu has returned from her parent's home in Nigeria where she went a year ago for the duration of the pregnancy and delivery. Reunited as a family, God continues to use them to serve and draw their people, the Fulbe, to Jesus.

Praise & Prayer

Requests

- *Praise God for the ministries of SCA and RFIS.*
- *Praise God for Fatu and baby Issa's (Jesus) safe return to Cameroon.*
- *Ask God to continue opening opportunities for Dahiru and Fatu to serve and reach their own people – the Fulbe/Fulani.*
- *Ask God to continue to bless our ministry partnership with the Cameroon Baptist Convention.*
