### SOMETHING NEW ~ CARE SHAWL MINISTRY

This is a new ministry where people who can knit or crochet are making shawls for those who are going through times of physical illness or some kind of other personal crisis. At the time the crisis becomes known the care shawl is gifted to the individual with a special note of love, informing them that every stitch was prayed over and crafted in love. The idea is that people would receive the shawl as a tangible expression of care in their time of need and also provide a little practical warmth.
